Dear Dr. Hashim:

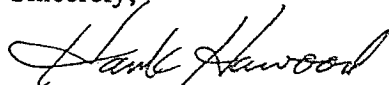

On behalf of the Organizers of the 1994 KEYSTONE SYMPOSIA conference ~~Molecular Biology of Muscle Development~~, I want to thank you and The Council for Tobacco Research for your gift of \$2,000 to help support the meeting.

As you know, your gift funds will be used exclusively to help defray the essential travel and lodging expenses incurred by the speakers at the conference; The Council for Tobacco Research - U.S.A., Inc. will be acknowledged in the Program distributed at this meeting to all registered participants. Your support will also be acknowledged in all four volumes of Abstract Books published — by Wiley-Liss, Inc., New York as Supplements to the *Journal of Cellular Biochemistry* — in conjunction with the 1994 conference series and made available to all registered participants. The Abstract Books are also placed, via subscription, in libraries, world-wide.

We sincerely appreciate your interest in our meeting and your generous support. Any suggestions for conference topics, areas of science you would like to see addressed as a KEYSTONE SYMPOSIA conference, etc., that you may wish to make will be relayed to our Scientific Advisory Board for consideration. A Form is enclosed to facilitate your reply.

If you have any questions about your gift or if I can be of assistance in any way, please do not hesitate to contact me.

Sincerely,

Robert (Hank) Harwood, Ph.D.
